TRANSFORM YOUR
HOME & GARDEN

Glass Balustrade | Juliet Balcony | Cladding | Decking | Paving | Fencing | Substructures | Ground Reinforcement

Bring your vision to life.

Whether you love entertaining or just kicking back and relaxing in peace, make the most of your outdoor space with these elegant, contemporary solutions from BM Architectural.

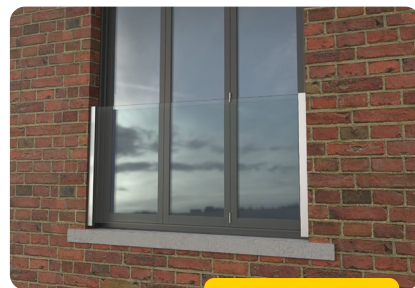

From glass balustrade to cladding and decking, we have everything you need to give your home a makeover. What's more, all our products are high in quality and low in maintenance, so rest assured your new look will continue to 'wow' for many years to come.

Bring the outside in

Juliet Balcony

Turn a window into an elegant, contemporary balcony and safely enjoy the benefits of more natural light, fresh air and an uninterrupted, panoramic view from your home.

- ✓ Sleek, minimalist design
- ✓ Face or recess fixed
- ✓ Supplied in kit form

A touch of elegance

Glass Balustrade

These elegant glass safety barriers maximise views and natural light, while providing all-important edge protection to prevent falls.

- ✓ Wide range of solutions available
- ✓ Suitable for indoor and outdoor
- ✓ Modular, off-the-shelf components

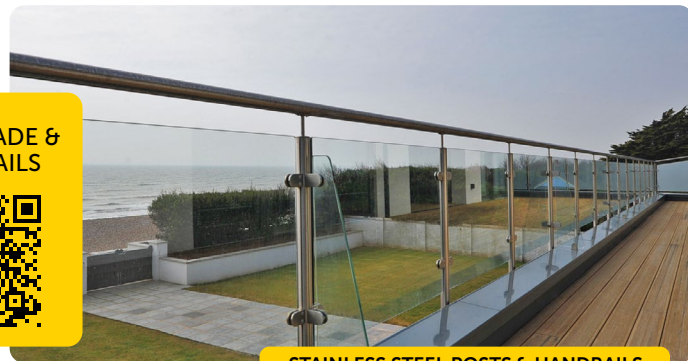

FRAMELESS GLASS BALUSTRADE

STAND-OFFS

SPIGOTS

STAINLESS STEEL POSTS & HANDRAILS

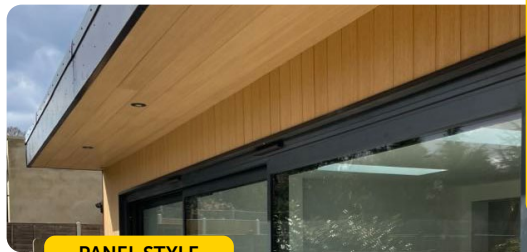

Create the perfect backdrop

Composite Cladding

A quick, reliable and stylish way to update the look of interior and exterior walls without structural changes. Ideal for renovations and extensions, and stand-alone structures such as home office pods.

Available in a wide range of colours.

- ✓ Advanced composite with 25 year warranty
- ✓ Contemporary and traditional finishes
- ✓ Vertical or horizontal installation

PANEL STYLE

COMPOSITE
CLADDING

SLATTED STYLE

A must-have in any garden makeover

Decking & Paving

Create a long-lasting, weather-, stain- and slip-resistant surface that is ideal for outdoor seating and dining.

- ✓ Creates the perfect outdoor living space
- ✓ Low slip in wet and dry conditions
- ✓ Stylish, low maintenance materials

Secure your boundary in style

Fencing & Gates

Enhance the security, privacy and appearance of your property with our aluminium & composite fencing systems.

Available in a range of greys & browns.

- ✓ No painting or staining required
- ✓ Can be retrofitted between existing posts
- ✓ Colour-matched, pre-assembled gates

Recycled Plastic Products

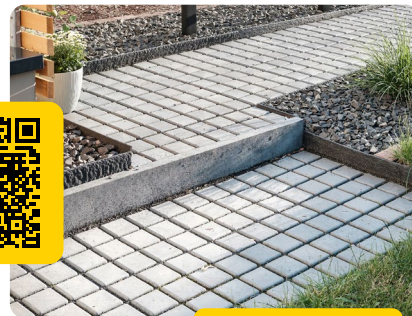

Water-repellent and rot-resistant, these products are perfect for applications in direct contact with the ground, including cladding and decking substructures, fencing, paving stones, ground reinforcement and garden planters.
